3rd SPANISH Open GC CHAMPIONSHIP

GUILLERMO NAVARRO MARQUÉS

Chairman of the Spanish
Croquet Federation (FEC)

Welcome to the III Spanish Open Championship!

It is an honour for the Spanish Croquet Federation (FEC) to welcome all the players taking part in this new edition of the Spanish Open Championship.

As you may probably know, elections have been held recently for the FEC Management Committee and the candidacy that I have the honour to preside today has acquired, on the one hand, the commitment and responsibility to represent Spanish croquet and all its members and clubs during the next five years and, on the other hand, the challenge to continue with the magnificent work done by my predecessor Mr. José Luis Álvarez-Sala and his Management Committee during these last years. Amongst the numerous sporting successes of the previous Management Committee were the two editions of the Spanish Open Championship. We expect that the third edition, to be held in the next days, will have as much impact as those held in 2015 and 2019.

Therefore, on behalf of the Management Committee, I would like to thank all the players for the effort made to be with us these days and to ensure that this edition of the Spanish Open Championship will have a worldwide repercussion that will serve to place, once more, the international spotlight on our country. We would especially like to thank those who have had to make a long journey, but we are sure that the effort made will be worth it, as both, this third edition

of the Spanish Open and also the city of Madrid itself will make them enjoy themselves enormously. We feel very fortunate to have the presence of some of the best players in the world since their dedication, effort and passion for croquet are an example for all of us. For certain, their talent will make this III Spanish Open Championship a great success that will be remembered by players and fans for many years to come.

Of course, we would also like to thank the fans who will accompany us during the four days of competition, giving colour, atmosphere and support to all the players. Your presence is essential to create the good atmosphere that we enjoy in all the FEC competitions held in our country.

Likewise, the FEC Management Committee would like to thank the Real Sociedad Hípica Española Club de Campo (RSHECC) as the main venue for the competition and the Real Club La Moraleja (RCLM) as the venue for the Plate event. On behalf of these clubs, to their Chairmen, Mr. Joaquín Ayuso and Mr. Juan Pablo Ridruejo, respectively, as well as to their croquet members, Ms. María Corrales and Ms. Carlota Escribano, respectively, for lending their facilities to make this tournament possible as well as for the great work and effort made in the organisation of the tournament and for their hospitality to all the players and the public.

Finally, a very special thank you to the sponsor of this III Spanish Open Championship, Volvo, whose collaboration has been essential for the tournament to take place. Their commitment to sport is undoubtedly an example to follow and we are extremely proud to have the support of such a prestigious brand as theirs.

Mr. Guillermo Navarro Marqués
Chairman of the Spanish Croquet Federation (FEC)
